

Building
unforgettable
brands.

Those endless hours spent in the complexity of your brand can divert energy away from where it matters most – your business and your goals. That's where I step in.

I've been building visually stunning, strategic brands for the best part of a decade, and I know exactly how to make your business stand out, attract the *right* customers and keep them coming back for more.

Introducing the brand design packages.

Level 1.

Perfect if you're looking for 'just a logo'! We'll start with some basic strategy to make sure your brand is targeting the right people in the right way. Then, you'll get a logo suite, colours, fonts, graphics, and guidelines so you know exactly how to use your new visuals!

2 WEEKS

£ 400

Cost is usually split into two 50% payments: one taken at the start & one at the end of the project. I'm happy to discuss alternative payment plans if needed. *Font licenses are not included in the brand package price, however I will always try to use free fonts where possible.

STRATEGY

- 🔍 Brand audit
- 💡 2 creative direction routes

DESIGN

- ✖ Logo suite with 3 variations
- 🎨 Colours/fonts*
- 📣 Supporting graphics

SUPPORT

- 📝 Brand guideline document
- 📁 Guide to your files

Level 2.

My best selling brand design package, ensuring you get the most value for the most cost effective investment. Starting with a strategic audit and guide to give you brand clarity, followed by standout visuals that align perfectly with your core and character.

The process.

Let's chat.

Slide into my DMs and we'll get to know each other and your business, then I'll send a project proposal.

Getting organised.

We'll kick off your project with a brand audit to create a strategic blueprint for your brand.

Creative crossroads.

I'll present two routes of creative direction, then you'll have the choice of how we proceed.

Let the fun begin.

Using our creative direction, your brand concept will be presented and tweaked until you're happy.

Rolling it out.

Once your logo and style is signed off, I'll create the rest of your assets and brand guidelines.

The grand reveal.

It's time to show off your brand! You'll get all the files and guides you need for a seamless takeoff!
